### **DETAILED ACTION**

The amendment filed on 11 May 2006 has been entered and overcomes the objection to the specification and the rejection to the claims.

#### ***Allowable Subject Matter***

1. Claims 12-20 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record neither shows nor suggest an organic EL display device comprised of, in part, the light emitting element covers both the first and second electrode segments, the light emitting element having one light emitting surface directed away from the first and second electrode segments, along with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
